HIGH SCHOOL

Year Long Course Plan

Department: Social Studies

Course: Advanced World History 614-615

Essential Learning Outcomes: After successfully completing this course, students will be able to:

1. Explain different points of view on the same historical event, using data gathered from various sources, such as letters, journals, diaries, newspapers, government documents, and speeches
2. Describe the purpose and effects of treaties, alliances, and international organizations that characterize today's interconnected world
Analyze primary and secondary sources related to a historical question to evaluate their relevance, make comparisons, integrate new information with prior knowledge, and come to a reasoned conclusion
3. Recall, select, and analyze significant historical periods and the relationships among them
4. Assess the validity of different interpretations of significant historical events
5. Select significant changes caused by technology, industrialization, urbanization, and population growth, and analyze the effects of these changes in the world
6. Select instances of scientific, intellectual, and religious change in various regions of the world at different times in history and discuss the impact those changes had on beliefs and values
7. Compare examples and analyze why governments of various countries have sometimes sought peaceful resolution to conflicts and sometimes gone to war
8. Analyze examples of ongoing change within and across cultures, such as the development of ancient civilizations; the rise of nation-states; and social, economic, and political revolutions.
9. Identify historical and current instances when national interests and global interests have seemed to be opposed and analyze the issues involved
